

About this policy

The Telecommunications Consumer Protections Code C628:2012 defines Financial Hardship as a situation where a customer is unable to discharge of the financial obligations in relation to our services but where the customer expects to be able to do so over time if payment arrangements are changed.

Statement of intention

We are here to help.

We will work with you to help you respond to financial difficulty, whether temporary or long-term. We are committed to helping customers facing financial hardship maintain telecommunications access and working with you to find a sustainable solution. Any help we can give will depend on your individual circumstances, and we provide help on a case-by-case basis.

We encourage you to contact us if you experience any difficulties paying our services. Please contact us by calling 03 5135 3395 if you would like to discuss any Financial Hardship matters with us. You can do so from 9am to 5pm on Weekdays.

The process

- A statutory declaration or official written communication from a person or support group that is familiar with your circumstances,
- Evidence that you consulted a recognised financial counsellor,

Once we received all required information, we will let you know within 7 working days whether you are eligible for assistance under our Financial Hardship Policy.

If you are eligible, will work with you to come to an arrangement that allows you to pay your outstanding charges in a way that does not worsen

your financial position. Where appropriate we will discuss means with you how to limit your spend (this may include barring some service features) during the time of our arrangement and thereafter.

Once we come to an agreement we will put this in writing via letter or email to you. You must inform us if your circumstances change (for better or for worse) during our arrangement.

We will not charge you for assessing your Financial Hardship circumstances or for administering the matter.
